

sc_dt::sc_value_base

```
graph BT; A[sc_dt::sc_signed_bitref] --> B[sc_dt::sc_value_base];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'sc_dt::sc_signed_bitref'. A blue arrow points upwards from this box to a gray box labeled 'sc_dt::sc_signed_bitref_r'. Another blue arrow points upwards from the gray box to a white box at the top labeled 'sc_dt::sc_value_base'.
