

sc_core::sc_plist_base

```
graph BT; A[sc_core::sc_plist< T >] --> B[sc_core::sc_plist_base];
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray rectangular box containing the text 'sc_core::sc_plist< T >'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'sc_core::sc_plist_base'. This visualizes that 'sc_core::sc_plist< T >' inherits from 'sc_core::sc_plist_base'.

sc_core::sc_plist< T >
