

```
sc_dt::sc_signed::convert  
_SM_to_2C
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'sc_dt::sc_signed::convert' on the first line and '_SM_to_2C' on the second line. The right box is gray with a black border and contains the text 'sc_dt::convert_signed' on the first line and '_SM_to_2C' on the second line. A blue arrow points from the right side of the left box to the left side of the right box.

```
sc_dt::convert_signed  
_SM_to_2C
```
