

```
sc_core::sc_event_list  
::~~sc_event_list
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the C++ code for a destructor. The right box has a white background and contains the C++ code for a report function. The arrow indicates a flow or relationship between the two code snippets.

```
sc_core::sc_event_list  
::report_premature_destruction
```
