

SimulationState::setState

```
graph LR; A[SimulationState::setState] --> B[SimulationState::stateChanged]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a dark gray background and contains the text 'SimulationState::setState'. The right box has a white background and contains the text 'SimulationState::stateChanged'. Both boxes have a thin black border.

SimulationState::stateChanged
