

```
sc_dt::scfx_ieee_double  
::is_normal
```

```
graph LR; A["sc_dt::scfx_ieee_double  
::is_normal"] --> B["sc_dt::scfx_ieee_double  
::exponent"]
```

A diagram showing a mapping from the `is_normal` property to the `exponent` field. A blue arrow points from the left box to the right box.

```
sc_dt::scfx_ieee_double  
::exponent
```
