

sc_core::sc_event_list

```
graph BT; A[sc_core::sc_event_or_list] --> B[sc_core::sc_event_list]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text 'sc_core::sc_event_or_list'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'sc_core::sc_event_list'. This visualizes that 'sc_core::sc_event_or_list' is a base class or a more general concept that 'sc_core::sc_event_list' inherits from or is a more specific instance of.
