

sc_dt::sc_proxy::rrotate

```
graph LR; A[sc_dt::sc_proxy::rrotate] --> B[sc_dt::sc_proxy_out_of_bounds]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'sc_dt::sc_proxy::rrotate'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'sc_dt::sc_proxy_out_of_bounds'.

sc_dt::sc_proxy_out
