

sc_core::sc_interface

```
graph BT; A[sc_core::sc_event_queue_if] --> B[sc_core::sc_interface];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray rectangular box containing the text 'sc_core::sc_event_queue_if'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box above it. The white box contains the text 'sc_core::sc_interface'. This visualizes that 'sc_core::sc_event_queue_if' inherits from 'sc_core::sc_interface'.
