

sc_dt::sc_unsigned
::xnor_reduce

```
graph LR; A["sc_dt::sc_unsigned  
::xnor_reduce"] --> B["sc_dt::xor_reduce"]
```

A diagram showing a transformation from a function to another. On the left, a gray rectangular box contains the text "sc_dt::sc_unsigned" on the top line and "::xnor_reduce" on the bottom line. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text "sc_dt::xor_reduce".

sc_dt::xor_reduce
