```
graph LR; A[sc_boost::basic_string_view::find_first_of] --> D[sc_boost::basic_string_view::find_first_of]; B[sc_boost::basic_string_view::find_first_of] --> D; C[sc_boost::basic_string_view::find_first_of] --> D;
```

The diagram illustrates a consolidation or mapping process. On the left, there are three separate boxes, each containing the text 'sc_boost::basic_string_view::find_first_of'. On the right, there is a single, larger box with the same text. Three blue arrows originate from the right side of each box on the left and point towards the left side of the box on the right, indicating that the three separate entities are being mapped or merged into a single one.
