

DebugWindow::DebugWindow

```
graph LR; A[DebugWindow::DebugWindow] --> B[DebugWindow::scrollBarModified Handle];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'DebugWindow::DebugWindow'. The right box is gray with a black border and contains the text 'DebugWindow::scrollBarModified' on the top line and 'Handle' on the bottom line.
