

MultiTypesChrono::paintEvent

```
graph LR; A[MultiTypesChrono::paintEvent] --> B[MultiTypesChrono::drawText InBox];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'MultiTypesChrono::paintEvent'. The right box is gray with a black border and contains the text 'MultiTypesChrono::drawText' on the top line and 'InBox' on the bottom line.
